Central Minnesota Wood Expo Saturday, March 30, 2013

The Central Minnesota Wood Expo is Taking show booth reservations for its 2013 Wood Expo Event on March 30, 2013 at the Saint Cloud Armory. We invite you to attend.

This will be the 8th annual Wood Expo Show. Every year the show has grown in attendance and exhibitor participation. The 2013 show will be no exception, and to further our growth, the sponsorship of the show has expanded to include 2 more woodworking related clubs. In the past the Wood Expo was sponsored by the Central Minnesota Woodworker's Association. Beginning last year, the Mid Minn. Association of Woodturners and the Central Minn. Woodcarver's will be joining as Co-Sponsors. This will give us an even greater impact on the entire woodworking related community in central Minnesota, and as an exhibitor, give you a larger buying audience.

Our show is not another "craft fair". The majority of our vendors are suppliers to be the woodworking community, both professional and hobbyist. This includes all kinds of the wood (domestic, exotic, veneers, turning blanks, carving woods, etc.), all kinds of tools/supplies(hand tools both new and used, power tools, finished supplies, etc.), and related material (such as books, magazines, catalogs, tools sharpening, etc.) If your business falls into any of these categories, this is the show for you.

Our show is a one day affair with set-up starting at 7 am and the doors opening to the public at 9 am. Tear-down begins at 3 pm and everyone is on their way home by 4. There will be plenty of free help to assist in unloading, set-up, and tear-down. Large suppliers can drive onto the exhibit hall floor before 8 am. Not all booths are selling booths. Some are for advertising only and these can be staffed or for literature distribution only.
